

Chipboard screws

VELOX® Pozi

Advantages

VELOX® Pozi blue zinc plated, full and partial thread

- Underhead milling ribs and underhead milling pockets: perfect for wood and metal fittings because of flush fitting and fewer wood shavings on surface (for metal fittings: use screws with underhead milling pockets)
- Patented tip thread area reduces splitting as well as setting torque, which provides a perfect appearance and a longer battery life
- Approved product for your safety

Suitable building materials

Very suitable

- Wood

- Laminated/veneered wood

Suitable

- Nylon plugs

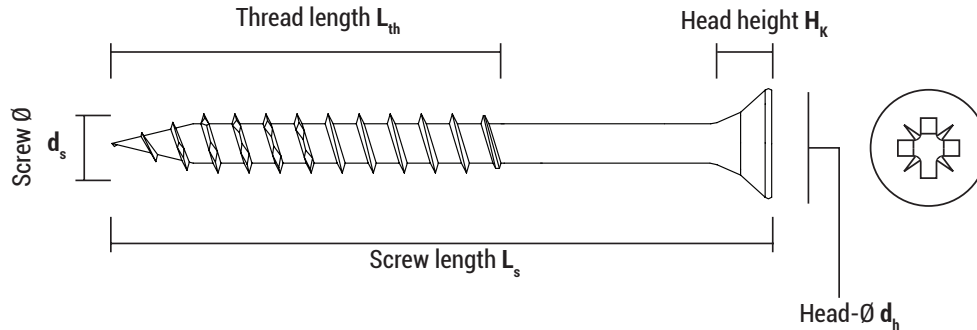

Approvals and certificates

European Technical Assessment
for use in timber constructions
